

THE ULTIMATE TEAMBUILDING EXPERIENCE

THE TOP NOTCH EXPERIENCE

01 SAFETY & TUTORIAL

Once everyone has arrived, we give a quick safety brief followed by a throwing tutorial. This ensures everyone can have a SAFE and FUN time!

02 COACHING/PRACTICE

The first 15-30 minutes is spent observing the group throwing and coaching those who need help. Some get it right away, while others need more practice. **Everyone who wants to stick an axe WILL!**

03 GAMES!

We introduce the group to some axe throwing games, explain the scoring and provide a sheet to keep score. This is where the competition and real fun begins as teams go head to head!

04 THROWING CARDS, STARS, AND BALLOONS

Become a NINJA! We introduce new weapons; ninja stars (shurikens) and throwing cards! These allow the group to try their hand with something new. Soon after, we provide balloons, for a more ... dynamic target.

We are a BYOB facility, so guests are welcome to bring in outside beer, wine and food; just no hard liquor. We also sell beer and wine on site.

ADRIAN HERNANDEZ ★★★★★

Reserved for a group of 10. Owners opened an hour early to accommodate our limited schedule. Staff was ready for us when we arrived, gave clear instruction/training, and had us quickly throwing on our own. The staff's coaching was helpful in getting everyone's axes to stick. They also gave us additional open lanes so most of the group could throw at the same time [again, very accommodating]. They have short, moveable fences in the lanes to help keep the axes from bouncing back at your legs/feet, which I thought was pretty cool [have not seen that at the other 2-3 places I've thrown at in Austin].

BETH N. ★★★★★

My team of managers survived a crazy holiday season in retail so I took them here for a post holiday celebration! We had so much fun! Mathias was our axe master and let us be loud and obnoxious but made sure we were safe. The areas were separated enough where we felt like it was a private party section but still close enough to others to enjoy the fun vibe. Love the selection of music played. They give you game ideas for scoring but we just threw all of the provided tools and took out our pent up retail stress!

Will definitely be back!

JESSICA HALDANE ★★★★★

Clean place, love that it is BYOB or they also have some beer & wine there to buy. It was way more fun that I expected, which is saying a lot because I was expecting it to be a blast. Also, for the women, its the first time I felt like I could get good enough fast enough to kick the mens butts!
